Spencer

The Spencer is another one of our day chairs that allows you to ease in and out of the chair with its well high positioned padded arm rests and straight back. The fully upholstered seat, back and saddle arms allows you to relax in comfort when sitting in a Spencer.

Frame: The Spencer has an MDF timber frame. The standard stain is teak but it is also available in Walnut or Baltic.

Seat Cushions: The Spencer has a fully-upholstered seat cushion. We use Dacron-wrapped Dunlop foam in the seat, which comes with a 5-year structural guarantee.

Seat and Back Suspension: Interlaced VG 775 webbing is used on the Churchill, which comes with a 10 year guarantee.
