Japan & South East Asia Early Career Researchers' Workshop

Institute for Advanced Studies on Asia, University of Tokyo

27 November 2026 10:00-17:00

The Institute for Advanced Studies on Asia (Tōbunken) will hold a workshop for Early Career Researchers on the theme of Japanese and Southeast Asian history. Editors from the *International Journal of Asian Studies* (IJAS) will attend to give advice and comments on crafting publishable work.

Work on Japan in relation to Southeast Asia, or Southeast Asia in relation to Japan is most welcome. This can be historical or contemporary.

If you would like to attend as a presenter, please scan the QR code and fill in the form below.

We ask that you prepare a 15 minute presentation on your research. This could be a work-in-progress dissertation chapter, an outline for a thesis, an analysis of some sources, or something else you would like feedback on (this can be tentative, or TBC).

This event is hosted by Dr. Joel Littler, Japan Foundation - Global Japan Studies Fellow, with Professor Sebastian Veg, Professor Pattajit Tangsinmunkong, and Professor Sam Bamkin from IJAS and the Institute for Advanced Studies on Asia.

Deadline: 2 November 2026
