Premium **9mm thickness** tiles deliver excellent durability, strength, and long-lasting performance for modern interiors. They provide a smooth, refined surface finish with high resistance to wear, moisture, and stains. Ideal for residential and commercial applications, these tiles ensure easy maintenance, enhanced stability, and a stylish aesthetic appeal suited for contemporary architectural design spaces.

Tiles in the **600x1200mm** size format deliver a premium solution for modern architectural spaces. This dimension creates a wide, continuous surface that reduces grout lines and enhances visual flow across floors and walls. Ideal for residential and commercial interiors, it provides a spacious feel, elegant design impact, and a clean, contemporary aesthetic.
