**600x1200mm
Structure Matt collection**

LAMAR unveils a premium collection of 600x1200mm tiles, crafted to infuse contemporary spaces with elegance and enduring sophistication. Drawing inspiration from natural textures and minimalist architectural design, each tile embodies a perfect balance of style, simplicity, and durability. The expansive format delivers a seamless, open visual effect, making it an ideal choice for elevating both residential and commercial interiors with a luxurious, modern aesthetic.

Engineered with cutting-edge technology and high-quality materials, LAMAR tiles provide long-lasting durability, low water absorption, resistance to stains and scratches, and effortless maintenance blending everyday practicality with sophisticated natural elegance.

Brand Overview

Where **modern surfaces**
blend with **genuine artistry**.

600X

Bold Size, **Minimalist Charm**
Soft Matte, **Luxurious Touch**

Experience the perfect balance of bold design and understated elegance with our 600x1200mm tiles. Their large format makes a striking statement while maintaining a minimalist charm, creating spacious, seamless interiors that feel open and refined. The soft matte finish adds a luxurious tactile quality, elevating the look and feel of any space with subtle sophistication.

Where **innovative surfaces**

meet modern design and timeless craftsmanship, transforming every space into a statement of elegance.
