INTRODUCTION

LAMAR presents an exclusive collection of 600x1200MM Photoframe collection, designed to bring modern elegance and timeless sophistication to contemporary spaces. Inspired by natural textures and refined architectural aesthetics, each design reflects a perfect harmony of style, simplicity, and durability. The large-format surface creates a seamless and spacious visual appeal, making it an ideal choice for enhancing both residential and commercial interiors with a luxurious modern touch.

Crafted with advanced technology and premium materials, LAMAR Photoframe Collection offer lasting durability, low water absorption, stain and scratch resistance, and easy maintenance - combining everyday practicality with refined natural elegance.

Designed to bring a soft and sophisticated character to modern spaces, this collection blends natural textures with contemporary elegance. Its smooth surface appearance, subtle detailing, and timeless aesthetics create a calm and luxurious ambiance, making it an ideal choice for stylish residential and commercial interiors.
