

## Francis Halzen

4-sided version

**Professor Francis Halzen** is the beloved principal investigator (PI) of and mastermind behind the IceCube project. He is a Hilldale and Gregory Breit Distinguished Professor of Physics at the University of Wisconsin-Madison. Born in Belgium, Halzen received his master's and PhD degrees from the University of Leuven, Belgium, and has been on the physics faculty at Madison since 1972.

### Snowflake cutting tips:

- Use small scissors!
- Crease the edges of each fold with a pencil or the scissors' handle to decrease chance of paper slipping while cutting.
- Print on thinner paper for easier cutting.
- Cut the inner detail work first, then unfold once to do the outside cuts.
