APPRECIATION LETTER

Mr. Mike Liow Long Foong,

The 2nd China-Malaysia Science and Technology Innovation Summit, under the guidance of the Embassy of the People's Republic of China in Malaysia and the Ministry of Science, Technology, and Innovation of Malaysia (MOSTI), was co-hosted by TusStar and Malaysia Research Accelerator for Technology and Innovation (MRANTI). It garnered support from the Shaanxi Council for the Promotion of International Trade, Beijing ZGC Science City Ltd., Malaysia Digital Economy Corporation (MDEC), Tsinghua Southeast Asia Center, and the RCEP Industry Cooperation Committee (RICC). This summit was successfully convened at MRANTI Park from March 6th to March 7th.

The 2nd China-Malaysia Science and Technology Innovation Summit concentrate on the fields of biomedicine, agricultural science and technology, and artificial intelligence. Through a diverse array of activities including an Opening Ceremony, Theme Sharing sessions, Fireside Chats, Global Tech Disrupt 2024, TechInnoStar Pitching Crush, and 19 exhibitions showcasing technological achievements, concerted efforts will be exerted to foster cooperation and exchanges between Chinese and Malaysian science and technology enterprises, thereby catalyzing further breakthroughs in bilateral science and technology innovation cooperation.

The summit was graced by the presence of esteemed dignitaries including Minister of Economy **YB Tuan Mohd Rafizi Bin Ramli**, Minister of Science, Technology, and Innovation **YB Tuan Chang Lih Kang**, Ambassador Extraordinary and Plenipotentiary of the People's Republic of China to Malaysia **H.E. Ouyang Yujing**, Minister-Counselor of the Embassy of the People's Republic of China in Malaysia **YBrs. Mr. Chen Youliang**, Executive President of Tus-Holdings and Vice Director of TusPark Management Committee **Mr. Zhang Jinsheng**, and CEO of Malaysian Research Accelerator for Technology & Innovation (MRANTI) **Datuk Dr. Rais Hussin Mohamed Ariff**.

APPRECIATION LETTER

The 2nd China-Malaysia Science & Technology Innovation Summit attracted 2,500 attendees and garnered a live stream audience of 30,000 individuals. Participants from 7 countries, namely China, Malaysia, Singapore, New Zealand, Canada, Australia, and Thailand, graced the event. 6 launch ceremonies were conducted successfully on-site, with over 60% of participants expressing expansion interests in both China and Malaysia. The networking needs of Chinese and Malaysian enterprises spanned various domains, encompassing marketing and technical support.

As we conclude the successful China-Malaysia Science and Technology Summit, we extend our heartfelt gratitude for your invaluable contributions to the 2nd China-Malaysia Science & Technology Innovation Summit. Looking ahead, we anticipate further collaboration with you to delve deeper into the vast business opportunities between China and Malaysia. Your support for this summit is deeply appreciated. We cordially invite you to continue guiding our efforts at TusStar Malaysia, and we eagerly anticipate future encounters to collectively shape a brighter tomorrow.

With sincere thanks and warm regards,

The 2nd China-Malaysia Science & Technology Innovation Summit Organizing Committee
