

RockerTech™ Pro Percussion Massage Device

Carry Case

Control Panel

High Performance Features

- **Percussion Deep-Tissue Massage** simulates human hands and helps to loosen muscles and increase blood flow to specific areas.
- **Powerful 45W high-torque brushless motor** ensures your device will never stall while applying pressure.
- **5 speed settings**, stepping between 1500 and 3200 impacts per minute, so you can get the exact treatment your body needs.
- **Six massage head attachments** designed for specific treatments.
- **Portable, compact, and lightweight ergonomic design** is easy to use so you can take the comfort of massage wherever you go.
