**Auto Programs** – Select from 24 pre-set auto programs. To select simply tap the auto program you wish to run. To scroll between ALL auto programs, tap the arrows on the side of the screen.

**Air Setting** – To personalize your massage to your exact needs, use the Air Setting screen to adjust **air intensity**, and **airbag massage region**.

**My Favorite** – Your chair has the ability to save your favorite customized massage programs to memory. Use this page to access or delete your saved memory programs.

**Home Page** – After turning on your chair, this is the first screen you will see on your tablet. Use this screen to navigate all menu options. To select, simply tap the screen with your finger.

**Manual Settings** – Have a particular spot that needs more work? Take the power of massage into your own hands with Manual Settings. Use this screen to fully customize your own massage and find the perfect treatment for you.

After you have set up the perfect selections you can tap **My Favorite** to save the program to 1 of 5 Memory slots for recall later.

**Sound** – Use this screen to select and control the SootheMe™ Sound Therapy feature of your chair. The selected sound will play from the Intersound™ speakers. To turn SootheMe™ Nature Sounds off, de-select the activated sound.

**Position Adjustment** – While your massage program is running, use this screen to make adjustments to chair angles, and Zero Gravity recline settings.

**System Settings** – Use this screen to adjust and personalize your chair and remote control settings.
