Additional Options:

Boost your comfort with the included back and foot pads. Lay the back pad on the seat cushion and up along the massage track to help reduce the intensity of the 4D mechanism. Place the foot pads in the foot wells to gently lessen the strength of the foot massage.

MASSAGE CHAIRS

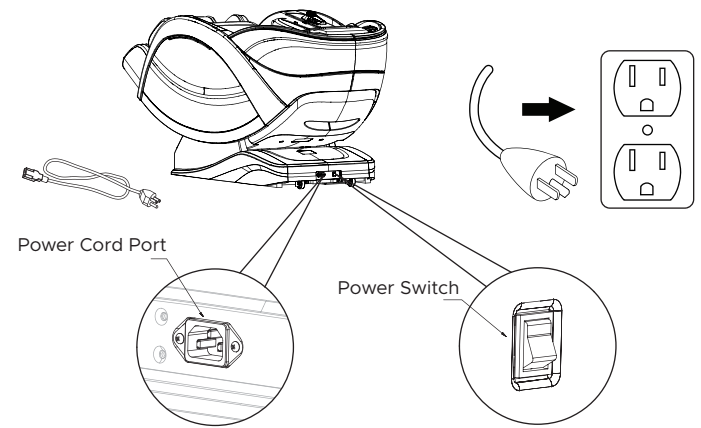

- 3 Step 3:** With two people, carefully lift the chair by both sides and remove from the box. Take your time to ensure a smooth and secure lift.

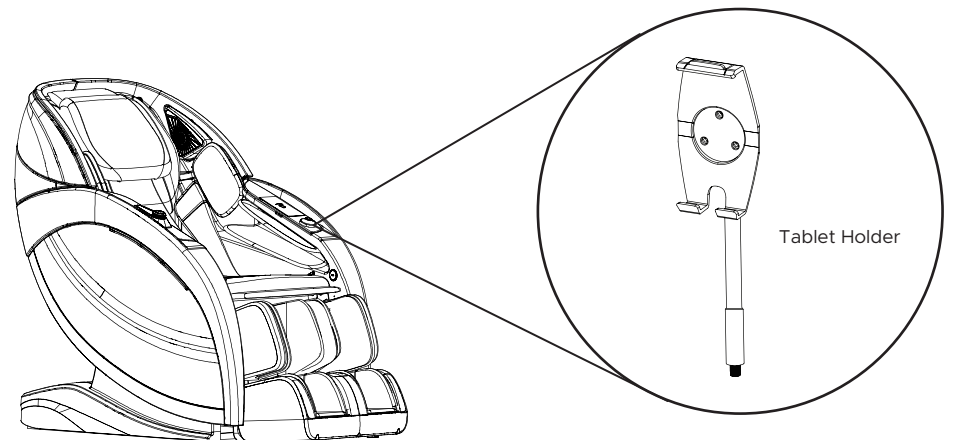

- 5 Step 5:** Find the Power button on the quick access panel, located on the chair's right arm. Press once to turn the chair ON, then press again to return it to the upright position.

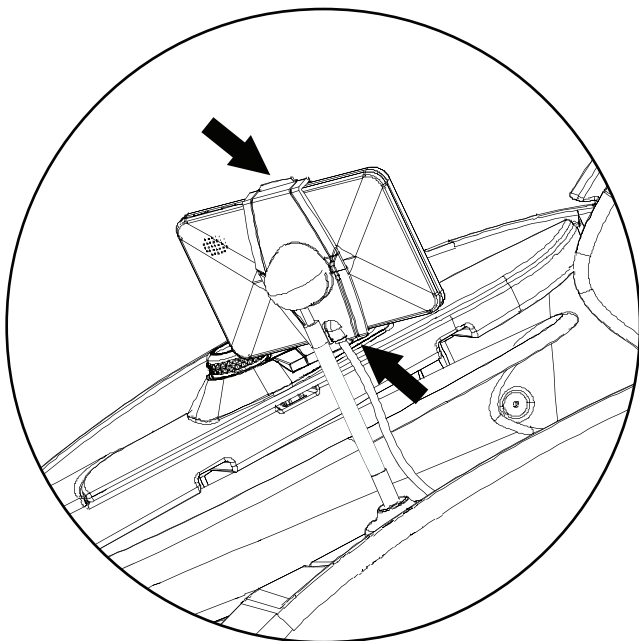

- 4 Step 4:** Plug the power cord into the power cord port on the back of the chair, then connect the other end to a 120V grounded outlet. Locate the main power switch on the back of the chair and press it on.

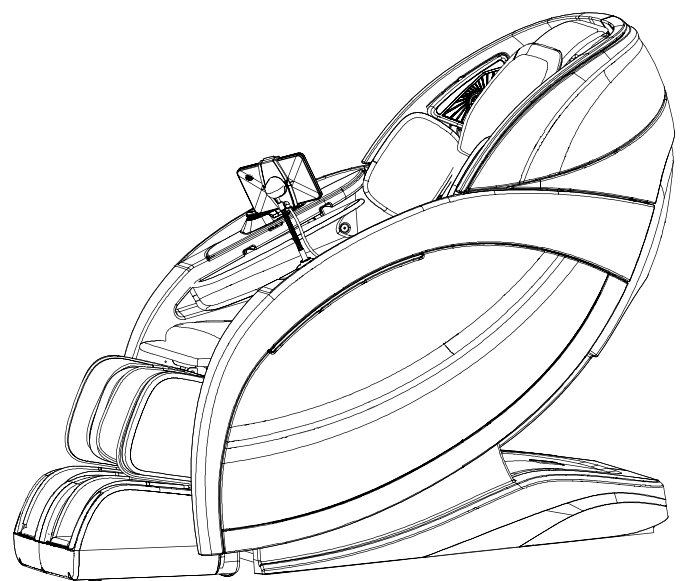

- 6 Step 6:** Insert the tablet holder into the base cover and hole. Using your hands, screw the tablet holder shaft into the hole, tighten to secure.

- 7 Step 7:** Remove the tablet from the column airbag. Slide its bottom side into the holder on the left arm panel, then snap the top into place.

- 8 Step 8:** Ensure that all cables are connected and that the chair is in an upright position.
