Meet Stela Kapidžic, a human rights female activist and an artist. She is one of those fighters for the rights of persons with disabilities and she does that with incredible passion and special strength when it comes to women with disabilities. After she had undergone a brain tumor surgery a couple of years ago she started using a wheelchair. This year she organizes a project titled the Strength of a Woman. On March 8th she exhibited portraits of 50 women at public spots throughout Sarajevo. Her work contributes to the achievement of Goal 10 – Reduced Inequalities.#IWD2018 #TimeIsNow
