Full installation instructions
downloadable via our website

Installation

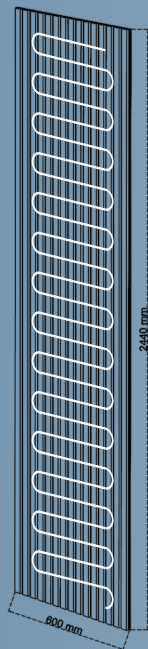

Figure 1

Option 1

Bond directly to wall

- Grab adhesive on the back of your panel. Each panel needs approx 100ml of adhesive.

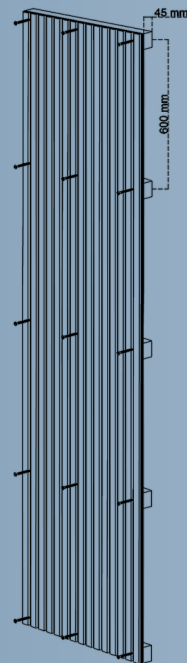

Figure 2

Option 2

Fix with screws

- Using the screw pack provided, we recommend 15 screws per panel in 5 rows of 3.
- Ensure appropriate fixings for the installation surface e.g. concrete/plasterboard plugs
