

Product Specification

USB 3.0 TWIN DUAL SLOT MICRO SD AND SD CARD READER

The Integral USB 3.0 Twin Memory Card Reader is the ideal accessory for your DSLR, bridge or compact camera, digital camcorder, Action Camera, GoPro, Android or Windows smartphone and tablet. The reader provides a super-fast and convenient way of transferring images, video, music and other data between your SD or microSD card and a PC or Mac.

- Less waiting! Transfer your HD video, images and other digital content between your memory card and PC/Mac without the delays associated with slower USB 2.0 technology
- If you already use high-speed memory cards such as Class 10 SDHC, then the Integral USB 3.0 Card Reader will maximise their high-speed potential
- 2 memory card slots - no card adapters required
- Fully compatible with USB 2.0 (USB 2.0 transfer speed)
- USB 3.0 SuperSpeed interface
- Supports the latest high-speed card formats with UHS-I interface: SDHC UHS-I, SDXC UHS-I, microSDHC UHS-I and microSDXC UHS-I
- PC and Mac compatible
- 2 year warranty
