

Product Specification

32GB micro SD card for dashcam High Endurance microSDHC memory card

The Integral Dash Cam and Security Camera memory card is designed for the demanding requirements of automotive cameras (dash cams) and home security/CCTV cameras.

- Smooth, reliable 4K and Full HD video recording in dash cams, security cameras, drones, smartphones, tablets and camcorders
- Built with MLC flash that provides high-endurance for extended read/write capability
- Sudden Power Off Protection ensures minimal chance of data corruption in the case of sudden power cuts in automotive applications
- Extreme temperature resistance means the card will work perfectly in environments ranging from -30 deg C to 80 deg C
- UHS-I, Class 3 specification
- SD Adapter included
- 3 year warranty or TBW - whichever is earlier applies

SKU	INMSDH32G10-DSCAM
EAN	5055288439115

	Width (mm)	Depth (mm)	Height (mm)	Weight (g)
Product	15	1	11	0.5
Packaging	93	8	138	19

Capacity (GB)	32GB
Memory Class 1	UHS-1
Memory Class 2	U3
Read speed (MB per second)	90
Write speed (MB per second)	60

Interface	8 Pin
Operating temperature (T-T) (degrees Celcius)	-30 - 80
Memory adapter included	Y
Sustainability certificates	Y
Certification	RoHS
