

Product Specification

32GB MICRO SD CARD FOR DASH CAM SECURITY CAM HD VIDEO V10 HIGH ENDURANCE

Security microSD cards for Dash Cams, Home Cams, CCTV, Body Cams and Drones. Extended lifetime and reliable recording time after time.

- Security microSD cards for Dash Cams, Home Cams, CCTV, Body Cams and Drones. Extended lifetime and reliable recording time after time.
- Dash Cams and Security Cameras require a high endurance microSD card as they are used to intensively record video footage
- The Integral Security microSD card uses high grade flash to ensure the optimum reliability
- Security microSD cards are used in environments where voltage fluctuations and sudden loss of power may occur. The Integral card has built-in Sudden Power-Off Protection for minimal chance of data corruption
- Extreme temperature resistance means the Integral Security microSD card will work perfectly in very hot and very cold environments, between -25 C degrees and 85 C
- Meets the demands for Full HD 1080p
- Suitable for Edge-based security systems for a higher recording efficiency and flexibility
- Health monitor function available
- 3 Year Warranty or TBW - whichever is earlier applies

SKU	INMSDH32G10-SEC
EAN	5055288446854

	Width (mm)	Depth (mm)	Height (mm)	Weight (g)
Product	15	1	11	0.5
Packaging	93	8	138	19

Capacity (GB)	32GB
Memory Class 1	UHS-1
Memory Class 2	U1
Video Speed Class	V10
Read speed (MB per second)	100
Write speed (MB per second)	30

Interface	8 Pin
Operating temperature (T-T) (degrees Celcius)	-25 - 85
Memory adapter included	Y
Certification	UKCA
