

USB Type-A to USB Type-C Adapter Twin Pack

The USB Type-A to USB Type-C Adapter features a USB-C connector that will convert any full size USB (Type-A) Flash Drive to a USB Type-C drive, so you can enjoy more content on your portable device and save time transferring files between phone, tablet and personal computer.

- USB Type-C Adapter is compatible with all Integral USB Flash Drives and other brands
- PC and Mac compatible
- Premium quality adapter maintains the speed of the USB drive plugged in
