			ELECTIVE*		e.g. Innovative Technologies and Sustainability	10		
6. Semester	8.	11.	Bachelor Thesis	DLBBT01 DLBBT02	Bachelor Thesis Thesis Defense	9 1	Bachelor Thesis Presentation: Colloquium	
			Total 180 ECTS					

INTERNATIONAL
UNIVERSITY OF
APPLIED SCIENCES

You've already planned out exactly how your course schedule should look? Wonderful!
The IU International University of Applied Sciences offers you the flexibility to choose any module you like from any semester. You can work on a number of modules at the same time or one by one.

At the beginning, choose modules that particularly interest you or that you can use directly in your job. This motivates you and gives you success right from the start.

A module with two courses consists of an introduction and a consolidation. In order to successfully complete a module, you must successfully pass both the introduction and the consolidation of the module within the framework of a module examination.

* Electives: Choose three modules, every elective module can only be chosen once.

FT: Full-Time, 36 months
PT I: Part-Time I, 48 months
PT II: Part-Time II, 72 months

Elective:

Applied Sales
Business Ethics and Sustainability
Foundations of Programming with Python
Innovative Technologies and Sustainability
IT project and architecture management
IT Security
IT Service Management
Managing People and Fundamentals of Business Psychology
Smart Mobility
Smart Services
Supply Chain Management
Sustainable Entrepreneurship
Studium Generale

You can find more information about your degree program in the module handbook on our website.
