You've already planned out exactly how your course schedule should look? Wonderful! IU offers you the flexibility to choose any module you like from any semester. You can work on a number of modules at the same time or one by one.

At the beginning, choose modules that particularly interest you or that you can use directly in your job. This motivates you and gives you success right from the start.

**Elective A and B:**

Accounting	Human Resource Management: Practice
AI in Practice	Human Resource Management: Theory
Artificial Intelligence	Innovation and Design Lab
Aspects of International Management	Internship
Big Data	IT Governance and Service Management
Consumer Behaviour and Research	IT Project and Architecture Management
Corporate Finance and Investment	Manufacturing Methods Industry 4.0 and Internet of Things
Data Science and Analytics	Product Development and Design Thinking
Economics of Health	Sales, Pricing and Brand Management
Entrepreneurial Ecosystems	Supply Chain and Sourcing Management
Health Systems and Policy	

\* Electives: Choose two modules, every elective module can only be chosen once. You can freely choose two electives or follow our suggested elective combinations to major in a specific area.

FT: Full-Time, 18 months  
 PT I: Part-Time I, 24 months  
 PT II: Part-Time II, 36 months
