You've already planned out exactly how your course schedule should look? Wonderful!

The IU International University of Applied Sciences offers you the flexibility to choose any module you like from any semester. You can work on a number of modules at the same time or one by one.

At the beginning, choose modules that particularly interest you or that you can use directly in your job. This motivates you and gives you success right from the start.

A module with two courses consists of an introduction and a consolidation. In order to successfully complete a module, you must successfully pass both the introduction and the consolidation of the module within the framework of a module examination.

\* Foreign Languages: You can choose one foreign language in the first semester and one foreign language in the second semester. Each language can only be chosen once.

Available languages: Italian, French, Spanish, German

Your mother tongue will be excluded from your available options.

\*\* Electives: Choose three modules, every elective module can only be chosen once.

FT: Full-Time, 48 months  
PT: Part-Time, 72 months
