You've already planned out exactly how your course schedule should look? Wonderful! The IU International University of Applied Sciences offers you the flexibility to choose any available module you like from any semester. You can work on a number of modules at the same time or one by one.

At the beginning, choose modules that particularly interest you or that you can use directly in your job. This motivates you and gives you success right from the start.

Information about electives D:
Decide at the beginning between an internship at a company or modules from electives D. You will complete the internship with a practical reflection. If you decide on the modules from electives D, all modules from this area must be completed. Mixed forms of internship and compulsory electives D are not possible.

Electives D:	
Internship: Business & Management	
or	
Project: Digital Business Models	
Project: Business Intelligence	
Intercultural and Ethical Decision-Making	
Digital Skills	
Interaction and Communication in Organisations	
Seminar: Current Topics in Digitalization
