

Visiting speaker policy

Introduction

- 1.1. Walbrook regularly welcomes visiting speakers from around the world. Such speakers bring great diversity of experience, insight, and opinion, enriching lectures, events, and activities, and sparking discussion and debate among students, staff, faculty, and visitors alike.
- 1.2. Walbrook welcomes and promotes freedom of speech and expression within the law. The purpose of this policy is to set in place a framework for those engaged with Walbrook, in whatever capacity, to ensure that activities where debate, challenge, and dissent aren't only permitted but expected, can continue for current and future generations.
- 1.3. This policy applies to all students, staff, faculty, members, partners, and visiting speakers of Walbrook in relation to any activity, whether in person or digitally delivered, on behalf of, or in partnership with, Walbrook.
- 1.4. To comply with the Education Act (No 2) 1986, Walbrook has a Freedom of Speech Policy, and obligations relating to our Prevent duty. Anyone organising an event must follow this process, and should be familiar with the Freedom of Speech policy and our responsibilities relating to the Prevent duty.

Booking a visiting speaker

- 2.1. It's the responsibility of the event or activity organiser (the individual from within Walbrook e.g., member of staff or student named in the Visiting Speaker submission) to ensure that
 - a. the Visiting Speaker Risk Assessment is completed for all speakers who are not contracted to us
 - b. the code of conduct is communicated to all visiting speakers before the event
 - c. all reasonable steps are taken to ensure that the requirements of the code of conduct are upheld during the running of the event.
- 2.2. The Freedom of Speech and Visiting Speaker Policy will be continually reviewed and updated in response to legislative changes and other factors. It's the responsibility of those organising events to ensure they're acting in accordance with the most recent version of the policies.
- 2.3. Most visiting speaker requests will be straightforward and can be handled entirely by the event organiser. However, some requests may be complex and may require referral for further consideration. The referral process will only

apply in a minority of circumstances; to events or speakers deemed to be higher risk.

Risk assessment of proposed visiting speaker(s)

- 3.1. Prior to the confirmation of any visiting speaker, the event organiser will be responsible for assessing the speaker by completing the Visiting Speaker Risk Assessment. Once completed, the Visiting Speaker Risk Assessment should be submitted to the Quality Assurance Manager, QPR.
- 3.2. The risk assessment has two parts. Part A (initial assessment) should be completed in all cases. If necessary, the individual should discuss this with their line manager.
- 3.3. Part B (referral) should be completed if any uncertainties or concerns are raised as part of the completion of Part A. This should then be reviewed by the appropriate Senior Manager.
- 3.4. The risk assessments will be filed in accordance with local procedures and follow the retention policy.

This policy is subject to review approximately every 12 months by the QPR.
