## 4. **RIGHT TO STUDY**

- 4.1 If you are studying within the UK or on-campus, it is your responsibility to ensure that you have the correct 'right to study'/UK visa in place before you commence your study with Walbrook Institute London and that it is valid for the entire duration of your Programme, regardless of which country you are from. If your Programme is taught solely online, this clause 4 does not apply to you.
- 4.2 You will need to provide original evidence of your permission to study in the UK at the point of enrolment. We will also request a copy of such evidence as a Condition to your entry onto the Programme.
- 4.3 Walbrook Institute London is required by law to verify that you have immigration permission to study in the UK. If you are subject to UK immigration control, and where the UK government requires us to obtain it, you must provide original evidence of your valid immigration status confirming that you have permission to study in the UK at the point of registration.
- 4.4 Acceptable original evidence typically includes:
- an endorsement in a passport,
  - an immigration officer's stamp obtained at the UK border,
  - a Biometric Residence Permit (BRP) if you have not transitioned to the eVisa system, or
  - an electronic copy of an eVisa produced using the online 'view and prove' service.
- 4.5 If your immigration permission is a visa that allows you to enter the UK, you must also provide:
- proof of your arrival date in the UK (which must be later than the start date of your visa), and
  - your contact details, including your UK address (where relevant), home telephone number and/or mobile telephone number.
- 4.6 You must continue to hold valid immigration permission to study throughout the duration of your programme. We require evidence of this status at the start of each academic year.
- 4.7 If you hold limited permission to remain or stay that is due to expire during your programme, you will be required to demonstrate that you have obtained further permission to remain or stay, or where relevant, Indefinite Leave to Remain or Settlement.
- 4.8 If you fail to provide the required evidence within a reasonable timeframe, we reserve the right to prevent you from registering on your programme or to withdraw you from your programme.

- 4.9 If you require a Visa to study at Walbrook Institute London it is your responsibility to obtain the appropriate Visa before starting your Programme. By accepting your unconditional offer to study with us, you also agree to abide by the terms and conditions of your Visa throughout your Programme. Failure to abide by conditions of stay may lead to a withdrawal. Information on conditions of stay relevant to your particular immigration status can be found on the Government's Visa and Immigration website. The terms and conditions of your Visa take precedence over these Terms and Conditions to the extent that there is any inconsistency between them.
- 4.10 If you need to be sponsored under the Points Based System as a Student, subject to our assessment, Walbrook Institute London may issue you with a Confirmation of Acceptance for Studies ("**CAS**"), but Walbrook Institute London is under no legal obligation to do so.
- 4.11 If Walbrook Institute London sponsors you under the Student Visa route, you agree to comply with the conditions of your stay in the UK and you agree to make relevant notifications to Walbrook Institute London. Walbrook Institute London complies with UKVI's rules for Sponsor Licence holders and is required to provide UKVI with information about students it sponsors, including failure to register on your Programme, failure to engage or attend classes without permission, any concerns about students working illegally in the UK or who are otherwise breaching their conditions of stay. - 4.12 On occasion, Walbrook Institute London may need to contact UKVI to clarify details on outstanding Visa applications and previous immigration history. Any such contact or related sharing with UKVI of your Personal Data will be carried out in accordance with the Data Protection Legislation. Please refer to our [Privacy Notice](#) for more information about how Walbrook Institute London processes your Personal Data.
- 4.13 Non-compliance with the conditions of your Visa could also result in the cancellation of your Visa, fines and/or a ban on entry to the UK by the UK government.
- 4.14 Many categories of Visa are subject to restrictions on the right to work. In particular, undertaking self-employed work in the UK while holding status under the Student Visa route is not permitted. As a licensed sponsor, Walbrook Institute London has a duty to notify UKVI if we become aware of any instances of our sponsored students breaching the conditions of their immigration status. Examples include prohibited self-employment activity, and work in excess of the number of permitted hours per week. Any such reports are likely to lead to the curtailment of the Student Visa.
- 4.15 If you lack the required permission to study in the UK, or you fail to demonstrate that you have the correct immigration permission, or to comply with any immigration conditions, Walbrook Institute London may: refuse to admit, enrol, or re-enrol you, or may, on written notice, withdraw your Visa sponsorship or terminate your studies. If your offer to study with us is withdrawn, Walbrook Institute London refuses to register you, your registration is terminated or if you choose to withdraw from your studies, this could affect the validity of your Visa and your ability to enter, study, work and/or remain in the United Kingdom.
- 4.16 Where you are a sponsored student and take a Leave of Absence, Walbrook Institute London may be required to report the Leave of Absence to UKVI, which may lead to the curtailment of their Visa. Sponsored students in this case will be required to obtain a new Visa or other immigration status, at their own expense, before returning to Walbrook Institute London following their Leave of Absence.

- 4.17 For the avoidance of doubt, Walbrook Institute London is not responsible for you meeting the conditions of [the Graduate route](#). ### 12.3.2 **Changes to Programmes or closure of Programmes post enrolment**

Where changes or Programme closure is proposed or have to be made for the reasons outlined at clauses 12.1 and 12.2 above, Walbrook Institute London will take all reasonable steps to minimise disruption to students (including where your Programme is closed and Walbrook Institute London is unable to complete delivery of your Programme, using reasonable efforts to, with your consent, transfer you to a new course: (i) at Walbrook Institute London for which you are qualified (at no additional cost to you); or (ii) at an alternative higher education provider).

In the case of minor changes as reasonably determined by us (for example, changing a module from compulsory to optional, changes to module titles or minor variations to module content), we will use reasonable efforts to keep such changes to a minimum and to keep you informed appropriately, for example by email or via notifications on the intranet.

In the case of substantial changes as reasonably determined by us, before implementing any such change, we will, if appropriate, consult with students to seek their views on the changes/proposals and any potential alternatives or steps to minimise the impact on students. Changes to the availability of optional modules, or changes which are to students' benefit will not normally be "substantial".

If we make substantial changes which you are unhappy with such that you no longer wish to continue study on your Programme, you must notify us of this in writing, following which we may offer you a suitable alternative programme for which you are qualified (at no additional cost to you). If you are unhappy with the alternative programme we offer you or we are unable to offer you a suitable alternative programme, you may end your enrolment by giving at least 14 days' notice to your support team by email (see clause 1.3 for further details). Should you terminate your enrolment pursuant to this clause, you may be entitled to a full or partial refund of fees paid depending on the circumstances and we will act reasonably in making a determination as to whether a full or partial refund is due (with reference to our Refund and Compensation Policy).

You should consider your options carefully before terminating your enrolment in such circumstances. You may for example want to contact other institutions about whether you might be able to complete your Programme with them.

Should you terminate your enrolment pursuant to this clause, you may be entitled to a full or partial refund of fees paid depending on the circumstances and we will act reasonably in making a determination as to whether a full or partial refund is due (with reference to our [Refund and Compensation Policy](#)).
