Purpose of the qualification

Why study the LIBF Level 3 UK Financial Regulation qualification (UKFR)?

The UK Financial Regulation (UKFR) qualification will prepare you for work or further study by developing your knowledge and understanding of the core financial services industry.

Objectives and key content areas

As a comprehensive introduction to the UK Financial Regulation qualification, UKFR develops specialist knowledge and skills by introducing you to the purpose and structure of the UK financial services industry. Within this, it provides a solid introduction to the financial sector, by exploring the rules and regulations that govern the sector and the social-economic factors that impact personal financial plans.

Throughout the programme, you will understand the:

- purpose and structure of the UK financial services industry;
- Financial Conduct Authority (FCA's) main aims and activities;
- rules and regulations and the FCA's approach to regulating firms and individuals;
- · main asset classes, financial services products and areas of financial advice; and
- impact of socio-economic factors on personal financial plans.

Key skills developed

The qualification will encourage you to:

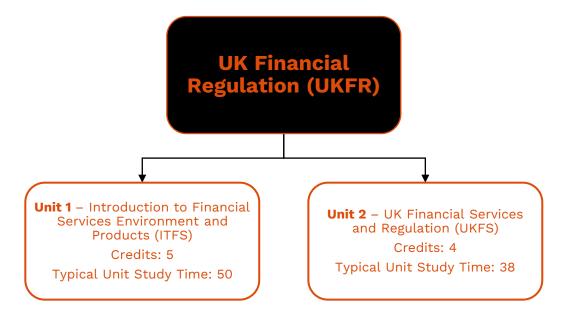

- develop an understanding of how financial products respond to the drivers and implications of changes in the wider environment and how these changes affect an individual's financial decision-making;
- demonstrate numeracy skills, including the ability to manipulate financial and other numerical data;
- use appropriate data and information from a range of sources to make financial decisions; and
- increase your ability to work and learn independently.

Page **3** of **15**

Structure

UKFR is made up of **two mandatory units** which need to be successfully completed to achieve the award:

Qualification delivery

Total Qualification Time (TQT)

Total Qualification Time (TQT) is a prediction of the <u>total</u> time a student with no prior knowledge might need to complete the qualification.

TQT consists of two elements, Guided Learning (GL) and all other hours:

- Guided Learning (GL) comprises study time under direct teacher supervision, encompassing instructional sessions and supervised examinations.
- All other hours include hours spent unsupervised in research, learning, e-learning, e-assessment, completing coursework, exam preparation, and formal assessments.

The LIBF Level 3 Certificate in UK Financial Regulation is primarily considered as a distance learning qualification with planned examination sessions.

Guided Learning Hours	2 hours
Other hours	86 hours
Total Qualification Time	88 hours

Assessment

All components and units are mandatory and assessed.

Module 1 - UKFR

- **Unit 1:** This unit comprises 50 stand-alone multiple-choice questions (MCQs). You need to achieve at least 35/50 (70%) to pass this unit.
- **Unit 2:** This unit comprises 50 stand-alone multiple-choice questions (MCQs). You need to achieve at least 35/50 (70%) to pass this unit.

The structure of the assessment ensures that all aspects of the course content are subject to external examination.

Preparing for the assessment

Your exam for each unit will be delivered via our platform Brightspace, which is where you access your course materials. You can take your exam any time with remote invigilation. There's no need to book in advance.

Before starting your exam, you will be expected to pick up your laptop/webcam to do a full 360-degree scan of your testing space. You must therefore ensure that your equipment is in full working order and can be easily manoeuvred.

To prepare for the assessment you should make use of all learning resources as part of your revision for the exam.

Qualification grading

The overall qualification is graded Pass/Fail only. To achieve a pass, you must achieve a mark of 70% in each unit. Higher-level passes are identified as pass at Merit/Distinction level.

Grade	Pass mark (%)
Pass	70%
Pass (at merit level)	80%
Pass (at distinction level)	90%

Feedback is provided via analysis sheets available on MyLIBF, to see your strengths and areas to develop.

Re-sit attempts

The qualification has a twelve-month registration period. There are no restrictions on the number of times you can resit a unit in which you were unsuccessful, however, you must resit the unit in accordance with the published policies of LIBF.

Additional information

Entry requirements

There are no specified entry requirements. However, you need to be satisfied of your ability to study in English and perform basic mathematical calculations.

Recognition of prior learning

LIBF recognises prior learning in different forms. Potentially, this means that you may not be required to register for every unit. Details of how to apply for recognition of prior learning are available on our website.

Progression and preparation for further study

If you wish to achieve a license to practice as a Mortgage Adviser, UKFR forms part of the Certificate in Mortgage Advice and Practice (CeMAP®).

As a free-standing qualification, UKFR provides a platform for continued study within the financial services sector and a wide range of other business-related disciplines.

Apprenticeships

UKFR appears in both the Financial Services Administrator and the Compliance/Risk Officer apprenticeship standards.

While underpinning these apprenticeship standards, the UKFR was designed to provide a solid foundation in financial regulation that underpins employment in many fields within the financial sector. This foundation knowledge is appropriate to a wider range of opportunities than would be found within any single apprenticeship standard.

Further details can be found on the Government website.

Preparation for employment

This qualification develops knowledge and understanding of financial services regulation and enhances skills that are valued within that sector and others.

You will be in a position to make informed choices, whether to pursue a career within the financial services sector immediately or after further study. You may also apply the financial skills that you have developed to other careers or study options.
