SECTION 3

OVERALL JOB PURPOSE

The Student and Customer Services Officers are responsible for dealing effectively with all incoming enquiries and for processing admissions and registrations across the range of Walbrook Institute London Limited provision, in line with service levels.

SECTION 4

PRINCIPAL ACTIVITIES/OUTPUT OF JOB

- Handle all incoming enquiries (email, Live Chat, telephone and post) in line with service levels, satisfying the enquiry at first point of contact where possible
- Process admissions, registrations, membership renewals, SPS renewals and other services that Walbrook Institute London Limited offers to customers and students in the UK and internationally
- Process bulk registrations as well as individual registrations that are submitted electronically, on a form or via the telephone
- Ensure security of personal data is maintained, in particular payment card details are not recorded on paper or kept electronically
- Ensure that all processing of personal data complies with the principles of the Data Protection Act, escalating data protection queries to the Team Leader
- Ensure communications with customers and students are accurate, consistent and that the enquirer's issue is handled appropriately
- Manage the admissions and registration processes for both individuals and in bulk, to ensure that members and students applications are processed in a timely manner and in line with regulation
- Maintain a high level of knowledge about all of our products and services

- Aim to resolve any student or customer dissatisfaction at the first stage
- Maintain, as fully as possible, a record on the database of all communication with customers and students
- Work collaboratively with other team members within the Admissions and Operations department, offering support and help when required
- Maintain a clear understanding of the roles of the other teams within the Admissions and Operations department, enabling the effective transfer of enquiries as appropriate
- Identify and support the implementation of improvements to services
- Share knowledge and good practice with other members of the Admissions and Operations department at all levels
- Undertake such other activities that may be reasonably requested
- Demonstrate flexibility towards working hours to meet customer needs.
