Product Information

This pocket knife offers an array of 13 functions, featuring a main blade, saw, hook remover, scissors, can opener, key ring, square blade screwdriver, bottle opener, wine opener, needle threader, steel file, Phillips screwdriver, and a sharp knife. It weighs approximately 103.3g and is constructed from 2CR13 stainless steel.

Crafted from stainless steel and encased in our popular scales, it boasts a slimmer profile while offering exceptional durability, ensuring it remains highly resistant to wear and tear.

Portable and efficient, this knife is the perfect companion for your daily escapades, fitting seamlessly into your adventures without taking up excessive space. It's also an excellent choice for gifting on various occasions, and can even serve as a compact stocking stuffer.

This knife's versatile performance is central its role as survival tools that excel in diverse scenarios. From basic functions to pioneering feats like space travel and engine restarts, these knives have evolved to meet a multitude of challenges head-on.
