Touchboards

Ergotron®

Tablet Management – for iPad

Highlights

- Universal design accommodates the Apple® iPad®, iPod®, and iPhone® devices

- Sync, charge, transport and secure up to 48 tablets

- Full 2.1A charging power for Apple devices

- Charge all tablets simultaneously with one power cord to the wall socket

- Switch from charge to sync mode by connecting a Macintosh™ computer or PC. Charging status is visible using the optional Individual Status Indicator (ISI) LED feature

- Single modules are available and can be used as a desktop unit

- Up to 40% smaller and lighter (unloaded) than competitive product

Sync and charge. Lightweight, compact, easy to maneuver, secure and cost-effective design.

Works in any environment including education, healthcare and enterprise applications.

ERGOTRON®

Universal Design

- Charge and sync up to 48 Apple iPad, iPod, and iPhone devices.
- Compatible with both 30-pin and Lightning™ connector cables
- Full 2.1A charging power for Apple devices
- Universal design provides flexibility as technology changes
- Optional LED Individual Status Indicators (ISI) monitor charging progress of each tablet

Super Compact Design

- Up to 40% smaller and lighter (unloaded) than competitive product
- Up to 60% more device capacity than competitive product

Solid, Durable Construction

- Steel tube and aluminum extrusion framework; steel access doors
- Durable, easy-to-clean exterior composed of high-grade fire-retardant ABS

Secure Storage

- **NEW!** Durable steel doors with three-point lock and assembly provide strong theft deterrence

- Ventilated enclosed storage area keeps tablets safe and secure
- Optional Security Bracket accessory kit (97-735) provides ability to lock cart to floor or wall bracket for extra security when needed

Easy Setup

- Choose the **97-766 30-Pin to USB Cable Kit** for the perfect sized cable, or use the 30-pin or Lightning cables that come with the Apple devices and install them yourself
- Clean, neat cable management drawer located on each module. Secure drawer is separate from tablet compartment, limiting unauthorized access

Certified for Safety

- Ergotron not only uses UL-certified components, but goes a step further to have UL certify the entire system to guarantee safe use within the classroom, healthcare or enterprise setting
- Tested and certified to UL 60950-1 and UL 1667 standards, FCC requirements and all applicable country-specific regulations

NEW! USB Cable Kit 97-766
These certified USB cables for iPad (30-pin, set of 16 cables) are a custom length to fit perfectly inside Ergotron Tablet Management products

Made for
iPod iPhone iPad

Save time and money by allowing our experts to integrate your Ergotron Tablet Management product with certified cables (see chart)

NEW! Security Bracket Accessory Kit 97-735

Up to **40% smaller and lighter** than competitive offerings

"Made for iPod," "Made for iPhone," and "Made for iPad" mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, iPhone, or iPad may affect wireless performance.

iPad, iPhone, iPod, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. Lightning is a trademark of Apple Inc.
