Ultra Short Throw Arm

## A-C. iTeach® 2 Electric IWB Wall Mount

- Address your audience's needs by adding 20" of electric height adjustment to any board with the iTeach® 2 Electric IWB Wall Mount.
- Attach the mount wherever needed on your wall to allow easy accessibility. With just one touch of a button on the hand held control pad, the wall mount will glide effortlessly to the desired height. Motor is UL-60950-1 compliant.
- Holds up to a 4.5'H x 8'W x 5"D board between 50 and 100 lbs. Optional bracket available to hold boards up to 9". Call for details.
- Projector arm included. Choose from short throw, super short throw, or ultra short throw. See diagram on right for technical specifications. Holds up to 25 lb. projector.
- Platinum powder-coat finish is attractive and durable.
- TAA compliant.
- For interactive projectors with strict flatness requirements, we recommend the Interactive Projector Board with Brio Trim, providing guaranteed results for projectability, erasability and durability.
