UL 2818

A-F. The Boss 2

- The Boss 2 AV cart features multiple accessory options for complete customizability to meet your needs, and assembles in less than 15 minutes!
- Durable and attractive powder-coated gray steel body includes two fold-out side shelves with anti-slip pads. Shelves lock in place when in use and magnets keep them secured to the cart body when not.
- An optional AV panel (includes AV I/O, USB, VGA, and networking ports), and an additional electrical assembly (with four outlets and two jacks) are available to mount under either shelf for added convenience.
- Fully ventilated unit includes locking front and rear doors for quick and secure access. Add more storage with a pair of optional cable boxes. Boxes mount neatly inside the door for quick access.
- Interior features a retractable projector shelf, two adjustable storage shelves, and multiple grommets for easy cable management.
- Add the optional chrome rail to the top of the Boss 2 for extra equipment security and stability.
- Optional power strip surge protector (seven outlet, 25' cord, mounting brackets) mounts conveniently at the bottom back of the unit.
- TAA compliant. Ten year guarantee. Has achieved GREENGUARD GOLD Certification.
