A-H. Mobile Flat Panel Stand

- The Mobile Flat Panel Stand provides stability, portability, and unbeatable flexibility for flat panel displays and accessory options.
- Durable frame is finished with a brushed silver powder-coated steel. AV shelf measures 18"W x 14"D. Base shelf measures 2.5"H x 30.5"W x 29.5"D and includes 4" urethane swivel casters (2 locking). Tested to hold 100 lbs without tipping.
- Stand is available packaged with one of three flat panel mounts. The standard mount holds up to a 42"/80 lb flat panel display. The high capacity mount holds a 42"-61"/100 lb display. Each tilts 30°.
- Add ultimate flexibility with the new electric height adjustable flat panel mount. UL-approved system provides 18" of adjustability with a touch of a button on the handy wired remote. Angle-adjustable bracket holds a flat panel up to 80"/150 lbs.
- Optional video conferencing shelf mounts to the top of the cart.
- Optional sidewing table for a laptop or document camera requires mounting brackets, sold separately. One shelf included. Second shelf available.
- Optional electrical assembly with four outlets, a 25' cord, and cord winder mounts to the back of the base for easy access.
- Stand has achieved GREENGUARD GOLD Certification.
