

Lab Stool

In Stock

10 Year Guarantee

Back can be stored beneath the seat when not in use.

Metal screws and metal nut inserts hold the seat to the frame to prevent fastener loosening and wood splitting over time, ensuring the durability of the stool.

A-D. Lab Stool

The Lab Stool is an attractive, durable, and practical seating choice, ideal for science classrooms and other learning environments. Solid wood seat (12.5" diameter x 1"D) is height adjustable from 18.25" to 29.25" in 1.5" increments. Leveling glides are included. Metal nut inserts in the seat prevent loosening of the screws and wood splitting. Frame is black or gray powder-coated steel with a footrest. Optional back made from 8-ply veneer (6.25"H x 12"W). Can be stored under the seat when not in use. TAA compliant. Ten year guarantee. Has achieved GREENGUARD GOLD Certification.
