In Stock

Shelves are easy to adjust and secure in place.

Locking doors and hatches on front and back provide easy equipment access.

Durable 3" casters (two locking)

## A-C. Optima GM Document Camera Security Cart

- The Optima GM document camera security cart will become your go-to mobile platform for laptop, document camera, projector, and other AV equipment in one easy to use unit.
- Compact footprint and heavy duty casters allow easy movement through aisles, doorways and cramped media areas.
- Locking doors and hatches on front and back allow easy equipment and cable accessibility and security.
- Locking top shelf slot allows you to secure even the tallest document camera.
- Grommets on either side of the cart provide cable management for electronics on the outer shelves.
- Features a top shelf with a notch to accommodate a wide variety of document camera models.
- Includes a height-adjustable side shelf that hangs vertically to save space when not in use. Optional second shelf available.
- With the Optima, it's easy to change from a sitting to a standing position as you teach or work, re-energizing your body.
- Optional power strip surge protector available. Mounts either inside or outside.
- TAA compliant.
