STEP4 □ 1. Insert assembled back into the seat mechanism.
2. Tighten the screws.

STEP5 □ Insert the headrest into the assembled back

Maintenance and Attention

1. Make sure that the chair can only carry one person at a time.
2. Do not use the chair as a step stool or ladder.
3. Do not use the chair before all parts are properly assembled.
4. Do not use the chair unless all screws have been tightened.
5. If destroyed by outside forces or defect work, stop use the chair until repaired.
6. For your safety, the instructions listed above must be strictly observed.
