

## VADDIO WALL MOUNT SHELF FOR VSX

### For Wall Mounting Polycom® VSX Series Set-Top Codecs

#### Model Number 535-2000-220

The Vaddio Wall Mount Shelf for the Polycom VSX set-top codecs is a practical and attractive method for mounting a codec directly to the wall above plasma displays or above thin-line rear projection monitors where the codec cannot fit directly on top of the display. The wall mount shelf fits both the VSX-7000 and VSX-5000 codes and the key features are:

- Designed to fit the contours and geometry of the codec
- Mounts directly to a 3-gang wall box
- Constructed from heavy gauge steel for rigidity
- Black powder coat paint provides a tough, attractive finish
- 90° opposing mounting holes for easy codec leveling
- Includes mounting hardware kit
- Dimensions: Base - 9.5" (241mm) D, 11.5" (292mm) W-back, 6.75" (172mm) W-front, Wall: 5" (127mm) H x 7.5" (190mm) W
- Weight: 3.95 lbs (1.79kg)

## VADDIO THIN PROFILE WALL MOUNT FOR EAGLE EYE

### For Wall Mounting the Polycom EagleEye High-Resolution Camera

#### Model Number 535-2000-221

This Vaddio Thin Profile Wall Mount was designed specifically for the Polycom EagleEye high-definition camera and it's an ideal way to wall mount the camera. The key features of the Vaddio Thin Profile Wall Mount are:

- Designed to fit the Polycom EagleEye HD Camera
- Mounts directly to the drywall or to a 2-gang wall box
- Constructed from heavy gauge steel
- Attractive black powder coat paint finish
- 90° opposing mounting holes for easy camera leveling
- Includes four (4) M3 x 6mm screws hardware mounting kit
- Dimensions - Base: 10.875" (276mm) W x 6.75" (171mm) D, Wall: 5" (127mm) H x 5" (127mm) W
- Weight: 2.85 lbs (1.29kg)

## VADDIO THIN PROFILE WALL MOUNT FOR POWERCAM

### For Wall Mounting the Polycom PowerCam PTZ camera

#### Model Number 535-2000-219

The Vaddio Thin Profile Wall Mount for the Polycom PowerCam PTZ camera is small and extremely strong. It was designed to be unobtrusive and easy to install. The key features of the Vaddio Thin Profile Wall Mount are:

- Designed to fit the Polycom PowerCam PTZ Camera and accommodate the camera's front IR bezel overhang
- Mounts directly to the drywall or to a 2-gang wall box
- Attractive black powder coat paint finish
- 90° opposing mounting holes for easy camera leveling
- Includes ¼"-20 mounting screw and hardware mounting kit
- Dimensions - Base: 4" (102mm) W x 6" (152mm) D, Wall: 5" (127mm) H x 5" (127mm) W
- Weight: 1 lb (.45kg)
