EagleEye IV Camera on Wall Mount.
(Camera not included with wall mount.)

UNPACKING:

Carefully remove the product from the packaging and identify the following parts:

- One (1) Thin Profile Mount for EagleEye IV (camera not included)
- Four (4) M3 x 6mm Black Mounting Screws
- Four (4) #8 x 1.25" Sheet Metal Screws
- Four (4) Self-Drilling Wall Anchors
- Manual

MOUNTING THE CAMERA:

The Thin Profile Wall Mount for the Polycom EagleEye IV camera can be mounted to a 2-gang wall electrical wall box or be mounted directly to a drywall surface with the supplied wall anchors or other spiral type wall anchors of the integrator's choice. The slotted mounting holes are 90° opposed from top to bottom to ensure that the camera can be adjusted and mounted level. When locating the camera, consider viewing angles, lighting conditions, possible line of site obstructions and check for in-wall obstructions where the camera is to be mounted. Always pick a mounting location to optimize the performance of the camera. Dimensional drawings (DWG and PDF) are available at vaddio.com.

INTENDED USE:

This Thin Profile Wall Mount was designed, built and tested for use indoors and to support the weight, size and shape of the Polycom EagleEye IV PTZ camera only. Using this wall mount for any other purpose could create a potentially unsafe operating condition, really.

HARDWARE WARRANTY:

Please see the Vaddio website at <http://www.vaddio.com> for the Vaddio Statement of Warranty for all Vaddio Products. The Statement of Warranty covers the policies and procedures of the Hardware Warranty, Exclusions, Customer Service, Technical Support, Return Material Authorizations (RMA), Voided Warranty, Shipping, Handling and Products Not Under Warranty. The Vaddio Warranty Statement supercedes all other published warranty statements heretofore in content and coverages. Vaddio Technical Support can be contacted through the Vaddio website or through e-mail support at <mailto:support@vaddio.com>.
