Each 18" deep level is independently height adjustable.

A-C. Split Level Workstations

- Split Level Workstations are designed to be functional and versatile, ideal for personal workspaces, training rooms, classrooms, or other group instructional settings.
- Available in a 36" width for a single user, or in a 72" width for dual users, Split Levels feature two 18" deep platforms, each independently height adjustable from 25.5" to 31.5" to allow comfortable positioning of a monitor without impairing visibility.
- Workstations feature a black powder-coated steel frame with gray laminate tops. Grommets provide cable management, and included CPU holders can be mounted on either the inside or outside of the frame.
- Has achieved GREENGUARD GOLD Certification.
- Optional Pop-Up Grommet Outlet & USB Charger available. Mounts into the grommet and provides instant convenient AC power and USB charging ability to your desktop. Includes four AC outlets, two USB charge ports, and 10' power cord. Retracts when not in use.
