iFlex[®]

Modular Home Office Desking System

A-U. iFlex® Modular Desking System

- With logical design and modern good looks, iFlex® Modular Desking provides the ultimate in flexibility for designing your conference room, boardroom, office workspaces, or home office.
- Ergonomic and attractive curves create workspace comfort and allow multiple configuration options. Easy to set up, break down, and rearrange to suit your needs.
- Available in cherry woodgrain vacuum-formed PVC with black legs. Select tables available with platinum legs, and with teak tops and platinum legs. Grommets included on large desks for easy cable management.
- Assembly is easy, and tables are a snap to move with stable glides on front legs and swivel casters on back legs. Ganging device included to join tables together. Tables tested to support up to 300 lbs.
- Optional accessory pieces available to finish any work environment include a three-drawer file cabinet (bottom drawer accommodates a standard hanging file rack), desktop privacy panels (call for information), and accessory storage trays for privacy panels.
- Also available in convenient bundles for a conference room, open office, and home office setting. Bundles feature cherry or teak tops with platinum legs.
- Conference room bundle includes two large right tables, two large left tables, and two small half round tables.
- Open office bundle includes two large right desks, two large left desks, four file cabinets, two full length privacy panels, two half length privacy panels, and four sets of accessory trays.
- Home office bundle includes one large right desk, one printer table, and one file cabinet.
- TAA compliant. Has achieved GREENGUARD GOLD Certification.
- Optional ganging device allows you to join your table configurations with ease. Durable rubber construction gives plenty of flexibility while keeping your tables securely joined together. Includes set of two plus hardware.
