Blonde

Ideal for traditional conference room decor, the **fully-customizable Technology Credenza** offers a unique **Integrated Screen Mount** that eliminates wall-mounted displays. Mounting your displays on the Technology Credenza makes for easier installations and reconfiguration of your conference room as needed.

The Integrated Mount supports a 103" single display, two 80" displays or three displays for your telepresence applications*.

*For applications larger than 80" displays or for three-display applications, please contact your AVTEQ representative.
