

Thin 3-Bay Credenza

Our fully customizable Thin 3-Bay Credenza has less depth for easier access on touchscreen displays. The credenza can house all your audio visual equipment and offers a unique integrated screen mounting system that eliminates wall-mounted displays. Our credenza comes with a sliding equipment rack in all 3 bays. The credenza is available in standard laminate (L) or veneer (V) finishes or can be customized to match existing furniture.

FEATURES

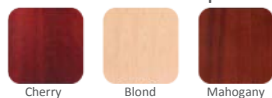

- Supports a single display up to 80", dual displays up to 70"
- 3RU sliding rack, totaling 9RU of space
- Includes VTC camera shelf and display mount
- Open back for ventilation
- 8-port rack-mounted surge protector
- Choice of laminate or veneer finish

DIMENSIONS
