

Yealink MeetingBar Mount

Single & Dual Display Mounting Kit

The Yealink MeetingBar Mount is a secure mount for installing a Yealink MeetingBar A20/A30 videobar above or below a display. This Yealink mount provides a stable, long term solution for a professional video conferencing installation in the office. It is compatible with the MeetingBar A20/A30 and is a secure mount for installing video bar on display.

The mounting bracket is designed to attach to the display mount providing additional flexibility with large-format displays. The Yealink Meetingbar Mount includes a display adapter that supports small (32-55 inches), medium (60-75 inches), or large (80-90 inches) display sizes.

The Yealink Meetingbar Mount is compatible with Avteq display mounts, mobile stands, and collaborative furniture.

FEATURES

- Positions the video bar above or below a display
