

BalanceBox® Cart

Height Adjustable Series

The BalanceBox® Cart is the perfect mobile solution for interactive displays in the classroom, library, training center or boardroom. The height adjustable mount uses a patented spring technology that allows the display to move up or down with a simple touch of the finger.

The cart supports your choice of BalanceBox® mount: 400, 400H or 650. The BalanceBox® 400 and BalanceBox® 650 mounts are very well suited for use with the new Microsoft Surface Hub 55" and 84" products.

FEATURES

- Incorporates the BalanceBox® 400/400H/650 height adjustable display mount (specify mount when ordering)
- Supports the Microsoft Surface Hub
- Height adjusts easily
- No motor, no electricity needed
- UL recognized and CE (ISO 60950)
- Rear access shelf for laptop or mobile device
- 100% solid steel construction
