

Height Adjustable Desk

Height Adjustable Furniture Series

The Height Adjustable Desk is the next in AVTEQ's line of height-adjustable furniture.

With this desk, you can enjoy the flexibility of the sit-to-stand adjustability.

Choose from our Eco line of laminate wood finishes with a white, silver or black powder-coated metal frame. Our Executive line offers an aluminum frame with a glass or bamboo top. Or, as always, customize the Desk to your own unique style!

Also, see our selection of Accessories catered to the Height Adjustable Series products.

DIMENSIONS:

Height - Table 24" - 48"
Width 31.5"
Length 63"

AVTEQ's Height Adjustable Desk shown (left) in aluminum with glass top in standing application, and (above) with bamboo top and white frame.
