

# DynamiQ Wall Stand with BalanceBox® Mount

## Height Adjustable Series

The DynamiQ Wall Stand with BalanceBox® height adjustable mount is the perfect solution for interactive displays in the classroom, library, training center or board room. The height adjustable mount uses a patented spring technology that allows the display to move up or down with a simple touch of the finger.

Your choice of white, black or gun metal gray for frame and panel color. Panels may be custom skinned in veneer or laminate to match any environment. Cabling pathways throughout with 3RU of vertical rack space.

Unit must be anchored to the wall.
