DynamiQ™ RPS-500

Height Adjustable Series

The DynamiQ RPS-500 height adjustable mobile cart is an ideal solution for interactive displays. The spring-weighted mount allows the display to easily glide up and down with a feather-light touch of your finger.

The DynamiQ RPS-500 supports a single display and offers an optional mount for the 55" and 70" Cisco Spark Board. The height adjustable capability enhances the interactive experience for any corporate, educational, or other collaborative environment.
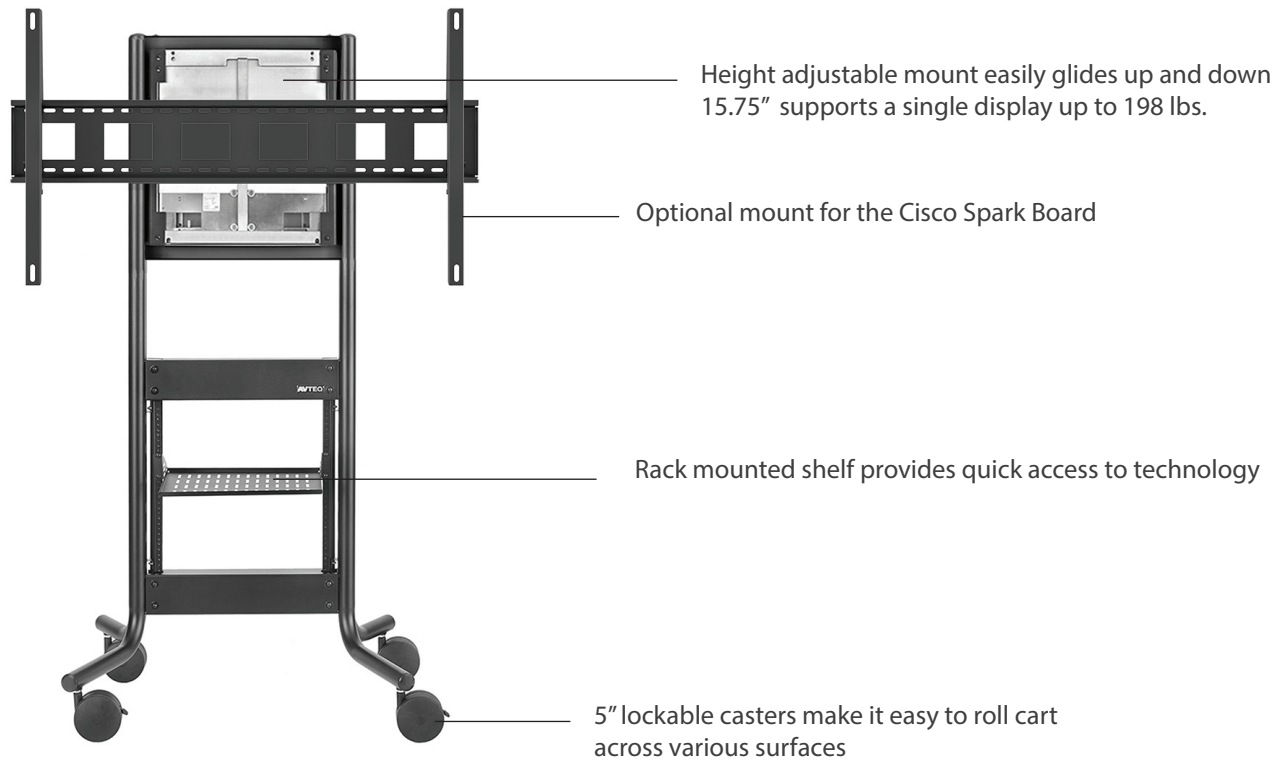

FEATURES
