AVerVision F50Interactive Visualizer

Effortlessly accomplish numerous tasks with the innovative AVerVision F50 flexible arm visualizer. The onboard annotation feature – an industry-first for portable visualizers – lets you swiftly and simply annotate over captured images without a PC. The F50's incredible image quality, impressive zooming capabilities and flexible arm ensure you'll capture an outstanding image every time. The one-touch recording function allows you to record high-quality video directly to a USB flash drive or SDHC card. Tack on a redesigned on-screen display (OSD) and the all-new A+ Suite visualizer software, and the possibilities for this versatile presentation solution are practically endless.

Smooth 30fps one-touch recording

All the sounds and excitement of live experiments, head-to-head debates and object examination are captured perfectly for future use both in class and at home through F50's lag-free 30fps recording directly to an SDHC card or USB flash drive.

Impressive 8X optical zoom

See minuscule objects and live specimens in fantastic detail thanks to F50's impressive 8X optical zoom capabilities, or magnify the objects up to 80X total zoom to have an even closer look at what's going on under the lens.

Full HD1080p output at 30fps

Experience crystal clear, blur-free images with vivid, true-to-life colors during any live demonstration through F50's full HD1080p at 30fps output capabilities, and its industry-leading 5-megapixel CMOS camera sensor.

All-new A+ Suite visualizer software

Directly incorporate live visualizer images, recordings, handy annotation tools, text-to-speech (TTS), text digitization via OCR and more into PowerPoint® presentations with A+ Plug-in for PowerPoint, or integrate your visualizer and IWB via the AVerVision Flash Plug-in.

Innovative Onboard Annotation

Using AVerVision F50 with AVer's AP20 interactive pen

- ▶ Quickly make digital notes on captured images by connecting AVer's AP20 interactive pen directly to F50. Save annotated images for fast playback and future modification.
- ▶ Put intuitive visualizer controls at your fingertips by using the AP20 interactive pen to wirelessly zoom, focus and freeze before adding digital notes to a visualizer image.
- ▶ Pass the pen onto students to create an added element of excitement and class cohesion that will turn even the dullest activities into class favorites.
