

The NuScan 3200 features the accuracy of laser compact, ergonomic and affordable design. It features technical advancements that eliminate internal vibrating mirrors and moving parts for better shock absorption, longevity and durability. Adesso NuScan barcode scanners combine high performance, accuracy, and value. They offer best-in-class solutions for retail, point of sale, Office, Light Industrial, Warehouse, Libraries, Medical, Legal office, Government, marketing and any repetitive application where time and precision are critical factors in helping businesses streamline their workflow. The USB version is compatible with MAC OSX and Windows. This keyboard is not only ideal for gaming purpose but also suitable to use in any place.

■ **Sleek & Ergonomic Design**

Sleek lines, easy-to-hold grip and thumb-switch offer maximum comfortable for long scanning use.

■ **Long Scanning Range**

With optical laser engine, the scanner can now scan farther and wider with distance of up to 16", capable of scanning under a light level of 80000 lux.

■ **Fast Scan Rate with Plug & Play Connection**

This allows you to easily and instantly transfer your barcode data into your computer with superior success. Plug & Play with USB interface. No driver required. Compatible with Windows and Mac.
