Carl's Table®

Steve's Station®

Manual Standing Desks

Squeeze the paddle to adjust the keyboard surface.

Why these desks fit you	Choose AdjustaCart and Console Cart to accommodate a limited sit/stand range on a tight budget.	
Dimensions	Dual-surface desks measure <ul style="list-style-type: none"> • 36" w x 34" d • 48" w x 34" d 	Curved dual-surface desks measure 72" w x 47.5" d
Sit/stand height range (measurements are from the floor to the top of the keyboard surface)	Install your shelves at any height on the vertical legs! The max height of the keyboard surface on these carts is 38" (adjusts as low as 25.25"); plus 24° of tilt (9°+/15°-) on the keyboard surface. Add optional Extension Tubes (see below) to make your cart taller and raise your keyboard surface even higher.	
Max lift capacity	n/a	
Weight capacity	150 lbs., including 40 lbs. on the keyboard surface.	
Cable management	Comes with cable management alleys and cord handlers that can secure to any vertical leg.	
Mobility	 2.375" rubber casters (2 locking)	 4" rubber casters (2 locking)
Worksurface finish	 Scratch-resistant laminate with durable vinyl edge banding.	
Warranty	Lifetime Warranty against manufacturing defects.	
Product # and MSRP	36" w AdjustaCart: AJ36BK (Black) AJ36FG (Fog) \$689 MSRP 48" w AdjustaCart: AJ48BK (Black) AJ48FG (Fog) \$729 MSRP	CCBK (Black) CCFG (Fog) \$1,099 MSRP
Adding optional extension tubes	Want to adjust your keyboard surface higher than the 38" max height of a standard cart? Add a set of Extension Tubes, available in 7", 12" or 24" lengths. You can even combine 2 sets (up to 36") which would increase your shelf height range to a max of 74". Your Anthro representative can help select the right set for your cart.	

Extension tubes fit tightly into the legs of your AnthroCart2 to make your cart taller and raise your keyboard surface higher.

A standard UltraCompact Cart...

made standing height with a set of extension tubes...

then maxed out with a 2nd set of extension tubes, larger casters and an additional shelf.

Fixed-height Standing Desks

Install your shelf at a standing height on the tubes.

Why these desks fit you	Choose these AnthroCart 2 family members for standing-only desk options at Anthro's lowest MSRPs.	
Dimensions	<ul style="list-style-type: none"> • 24" w x 30" d • 36" w x 30" d • 48" w x 30" d • 60" w x 32" d • 72" w x 32" d 	<ul style="list-style-type: none"> • UltraCompact Cart comes with a retractable keyboard caddy. Measures 25.25" w x 26.75" d (caddy extended) & 25.25" w x 19.75" d (caddy tucked in)
Sit/stand height range (measurements are from the floor to the top of the keyboard surface)	Install your shelves at any height on the vertical legs! The max height on these carts is 28" (31" for the UltraCompact Cart). Add optional Extension Tubes (see below) to make your cart taller and raise your keyboard surface even higher.	
Max lift capacity	n/a
