

STEVE'S BENCH

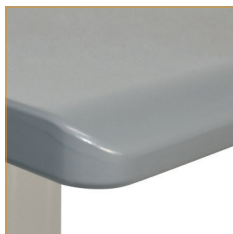

Seriously strong electric lift table

This tough table lifts up to 350 lbs and measures 90" wide so it can support all of your monitors and equipment. Plus, it gives you plenty of room to spread out or work with others. Quiet, smooth-action legs move up and down (30" to 49.5") with the push of a button. Steve's Bench is ideal for use as a teaching station or utility bench.

Adjust the shelf 30" to 49.5" with the simple push of a button.

Waterfall edges are comfortable against forearms and wrists.

Strong electric legs lift up to 350 lbs. quickly and quietly.

The roomy rear cable trough is deep enough to hold optional power brick.

Optional CPU racks can raise or lower as you adjust the bench height.

**STEVE'S
STATION®**
