Anthro's Wall-Mounted Workstation

eNook Pro (with programmable code lock)

eNook Standard (with key locks)

A Gas Station for Your Gadgets and a Work Space for You

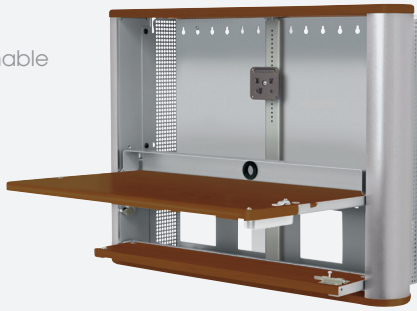

Anthro's eNook is a multi-talented workspace. It charges, stores and fits where you don't have a lot of room. eNook has channels for you to plug in and charge all your electronics, like your laptop, phone, tablet or digital camera. Flip it up to store your device and lock it out of sight, or flip it down and you have a handy desk to work on. Your gear just found a home!
