

ORION 5X

Night Vision Weapon Sight

The Armasight Orion Rifle scope is a high-performance, mid-range night vision weapon sight that provide excellent observational, target acquisition, and aiming capabilities for the most demanding sports shooters, hunters, and security personnel.

Armasight Orion 5X sight is arguably the most dependable, highest-performing weapon sight you can find in the Gen 1+ category. We have housed our top class optics and image intensifier tubes within ruggedly designed, rubberized aluminum bodies.

The Armasight Orion is the best solution for any tactical shooter or hunter seeking to improve the accuracy of their shooting in dark environments.
