

U70 USB Document Camera

Simple. Powerful. Affordable.

The easiest plug-n-play USB document camera bundled with premium features and pricing has arrived. U70 produces an extraordinary, 4K quality visual experience while still maintaining its simplicity.

Don't miss a pixel

U70's **8MP sensor with 16x digital zoom** delivers best in class pixel performance capturing full resolution that enables vibrant, ultra-clear images.

A whole new level of basic

Add the latest USB power and you've got a document camera that super speeds everything to and from its connected device providing a lag-free streaming experience.

Smart tools are handy tools

Whether you're doing a live demonstration or livestreaming, leverage U70's **embedded built-in LED and microphone** to enhance the quality of all your visual and audio experiences.

Integrate to collaborate

Use U70's **free Sphere2 & ClassSend software** to inspire innovative lesson creation and build classroom engagement. It's the bridge that connects you and your document camera to your students.
